Re: SRBA Claim No. 29-10635

Dear Mr. Olson:

I am the Deputy Attorney General representing the Idaho Department of Water Resources in the Snake River Basin Adjudication in Basin 29. I received your letter dated July 27, 2003.

It appears that you may want to object to the Department's recommendation of your water right(s). Once the Department makes its recommendation to the SRBA District Court, you must follow the District Court's procedure to raise any concerns you may have about the Department's recommendation. I have enclosed a Standard Form 1 which is the objection form required to be used in order to get your concerns before the District Court. You can also get further information about the proper procedures from the Notice that was mailed to you along with your water right recommendations or by going to the SRBA website at www.srba.state.id.us. **The deadline for filing an objection to the Department's recommendation(s) is November 14, 2003.**

The Department cannot consider the concerns you raise in your letter without you following the Court's procedures since the recommendations are now before the Court.

If you have further questions concerning this matter, you can call me at (208) 327-5404.

Very Truly Yours,

PROFILED

To DWRB.

JUL 30 2003

Department of Water Resources

Dear Sir:

The Idaho Dept of Water Resource
Recommended a water right
as follows

.910 CFS

1.750 CFS. Garden Creek water.

1.750 was decreed to my farm.
However in the 60 years that
I have lived here water has
never been delivered by the
Garden Creek Irrigation Co. Most
of the time they don't have
any water. Therefore I would
like to obtain the sum of
the water Rights. (2.66 CFS) from
my will. I have proven Ben. Use
far more than .910 CFS.

SCANNED
APR 2 1 2003

29-00395 + 2900396.

The decr. should remain — but

until the water can be delivered
by Garden Creek Irr. Co the
water right is useless. —

Sincerely
Grant H. Olson
