13. Remarks:

Priority date description: We purchased this house recently. The previous owners said that the well was put in around 1933, switching over from a hand dug well. Robert E. Berger bought the place from the Halvorsons, then put in the well. Well has no tag or markings.

Was told that the well is 127 feet deep, and the flow is 50gpm.
Really good water for this area. Never runs out.
