

AMENDED DIRECTOR'S REPORT

Subcase No. 95-14757

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources

Gary Spackman, Director

Carter Fritschle, Manager, Adjudication Section

August 30, 2019

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On August 2, 2018, IDWR filed a Director's Report for Barnes and Lori Wilson's Water Right No. 95-14757, for domestic purposes. No objections or responses have been filed, and the response deadlines have passed.

IDWR has identified an inadvertent error in the Director's Report in the Quantity component under the Purpose and Period of Use element for Water Right No. 95-14757. The original Director's Report erroneously listed a volume limitation of 0.60 acre feet per year in the Quantity element under Purpose and Period of Use. The appropriate volume limit for this water right should be **1.20 afy** as authorized in the original license.

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).

CARTER FRITSCHLE
Manager, Adjudication Section
