As to the history of #A29-10058

We have owned the land since 1946. The one
 ever used the water prior to our interest.
 When the water yielded it would flood the
 Jensen Rd, becoming a problem to the use
 of the road & the country; during wet road & break
 deep. We had been using the water from June 1947,
 but not able to use it all to advantage be-
 cause of the kind of land. The 13 Aug 1952 we
 had Edith Bray (deceased) dig a much ditch as
 possible in the area & then on 28 Sept 1952,
 we had a powder man (deceased) & approved
 by the County, to blast; so we could lower
 & extend the ditch; At our expense.
 Along with our tractor & much hand land
 work we were able to guide the water
 to west & north with ditches for irrigating
 & stock water.
 Still own this land & use the water,
 in the present.
