4/2/04 Created V-2 in the eCVR and did a stripe out for Remark and set it to active.

Emailed 29-10/22 - 10/25 + 13483 to Annie to link POU/P2D and do the rest of the stuff with. CB

Talked with Craig Rudford and told him we are just taking the remark out completely. CB

4/22/04 Did an SFS and submitted to Court with all the signatures. CB

Ownership change to King Creek Grazing CB

Notes

3/23/04 Craig Redford came in resolve his objections. The objections on 27-10122, 27-10123, 27-10124, 27-10125 & 27-13483 was the quantity. Remark that limits the total diversion to 5.24 cfs when all the rights are combined.

I explained to Craig I would have to talk to Candice first and she is out of town until Thursday according to her voice mail.

Call Craig in Utah when we know to let him know what he needs to do.

3/24/04 I spoke with Candice and explained Ernie put this remark on the rights. She would prefer that we discuss it with Ernie before we proceed because she doesn't understand the combined limits. I told Candice I would email Ernie and have him talk to me next week on the limit.

11:10 AM. My email is down.

Subject: RE: Redford transfer

The remark in Transfer 1560 states "that the water be used on no more than 195 acres at any one time and that the total amount diverted shall not exceed 585 acre feet per year or 293- 24 hour second feet." I would like the recommendation to have remarks for both the acreage and amount. Something like:

Place of Use THIS RIGHT CAN BE USED FOR THE IRRIGATION OF NO MORE THAN 195 ACRES AT ANY ONE TIME WITHIN
THE PLACE OF USE
 - Irrigation DESCRIBED ABOVE.

Quantity USE OF THIS RIGHT IS LIMITED TO A TOTAL ANNUAL DIVERSION VOLUME OF 585 AFY OR 293- 24 HOUR
SECOND FEET.

Cindy does he expect to use this water on both sides of Nipper Road? The recommendation only covers the east side.

hi,

If you recall some time ago we discussed transfer 1560. Which transferred 100 inches of their 1868 water to the west side of Nipper Road. If you recall it said something to the effect that they couldn't irrigate more than 195 acres at one time. Well I met with Craig today and he would like that language in the remarks for the recommendation instead of "within an irrigation season". Do either one of you have an objection to that or maybe some clarification?

Cindy

6/5/03 3pm- Roger Warner @ I.F.

Change the layout, recommendation layer
and send to me for the file on the rights
to east of Nipper Rd,

29-10/22-10/25 ; 29-13483.

I also corrected the remarks for these claims
to add the P15 Remark for combined rights.

Added the time on priority dates as needed.

- 1- Period of use
- 2- Place of use
- 3- Right limited to 100 acres
