RE: Notice of Error Reply for Snake River Basin Adjudication (SRBA) claim 29-10365

Dear Mr. Vaughan,

This office received the notice of error (NOE) reply you submitted on March 17, 2003. In the reply you stated that the spring is also used to supply water in the home.

Use of the spring water in the home is defined as domestic use. Looking through the file, I feel I can recommend domestic use as a valid use on the recommendation but domestic use was not claimed. In order to recommend domestic as a valid use, the original claim needs to be amended.

For your convenience I am enclosing an amended claim. Please look over the claim and initial any changes you wish to make. Please note that the only changes I made on the claim was to add Domestic as a use. This will look different than the preliminary recommendation originally sent to you earlier this year. When satisfied, sign the claim in front of a notary and return it to this office by **June 16, 2003**.

Please feel free to contact me with any questions.

Respectfully submitted,

Craig L. Saxton

RE: CHANGE IN OWNERSHIP FOR A29-10365

Dear Mr. Vaughan:

It has come to our attention that you may have recently purchased a tract of land in Bannock County. The property to which I am referring was most recently owned by Corwin P Whitworth. The legal description is as follows:

This property was filed on in the Snake River Basin Adjudication (SRBA), and we recommend that if, in fact, you now own the property in question, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed with a legal description and an aerial photo of the property you have purchased.

If you have any questions regarding this matter, please call 525-7161.

EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication (SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is known as the **PRIORITY DATE**, has not been confirmed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
