EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication(SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is know as the **PRIORITY DATE**, has not been confimed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.

RE: Notice of Claim A29-10696

Dear Mr. Patterson:

Please find enclosed your receipt and a typed Notice of Claim #A29-10696, prepared with information taken from your original notice.

Please review the typed version of Notice A29-10696 for accuracy. In a few instances, (Items 4, 6, and 10,), modifications were made by the Department. The legal descriptions listed in Items 4 and 10 were determined using the plat map sent with the original notice. In Item 6 the quantity of water was increased to 0.04 cfs, a typical amount for one house hold. Changes have been highlighted for your convenience. Should you determine that some of the items need to be changed, make the necessary changes on the typed notice, then sign the form, having your signature notarized, and return it to this office by May 1, 1990. If there are no changes, simply keep this Notice for your records.

If you have any questions or objections regarding the modifications, please contact this office (525-7161).
