RE: Amendment of Snake River Basin Adjudication (SRBA) claim 29-10818.

Dear Mr. Richard,

The Idaho Dept. of Water Resources is currently in the process of reviewing SRBA claims in your area. You claimed irrigation from the Portneuf river dating back to 4/4/1886. However, during my review, it seems that your claimed irrigated ground on property described in a private adjudication Nokes vs. Kulp. This case decreed use of Portneuf river water on your property dating back to 1868.

I believe it would be to your advantage to amend your SRBA claim 29-10818 to reflect the 1868 priority date.

I am enclosing an amended claim for your convenience. If you wish to claim the earlier priority date, please look over the enclosed claim, initial any changes you wish to make, then sign the claim in front of a notary and return it to this office by **January 3, 2003**.

Please feel free to contact me if you have any questions.

Respectfully submitted,

Craig L. Saxton
Sr. Water Resource Agent

I purchased my land in Sept
from Leo Lisk. He is in Arizona
so I am unable to get all the
papers on the water rights.

I have enclosed a copy of a
deed with 1886 water right from
the people that bought a part of
Leo's land so I should have the
same priority rights (1886)
