 Comment: Claimed and 1868 priority date based on the POU being an old Indian Allotment. At this time I have no evidence that the claimed POU is and old Indian allotment. Claimed POU not included in the Mink creek decree. Recommend as Beneficial use with priority date recommended based on Claimant affidavit of first hand knowledge of irrigation.

Subject: More Indian allotment

Hey Ernie,

It just never gets easier does it. Anyway. I have two claims for use of Mink creek water that claim 2/26/1869 priority.

29-00279A and 29-10923

Although 29-10923 says it is based on B-use, it seems that both are based on decreed right 29-0279 (or 29-00278).

The decree reads as follows:

"It is further decreed that the parties hereto shall permit sufficient water to flow through their respective head gates during the irrigation season to furnish 58.71 inches (29-00278) to Big Elk Allotment, and 37.46 (29-00279) to the Toane Allotment, with priority of February 26, 1869, and an additional inch of water for each additional acre added to the present irrigated area which the same is in Indian ownership, which area at the date herof is 97.17 acres."

I found:

29-00279A: 2.8 acres
29-10923: 2.2 acres

Napp shows irrigation and I have seen the delivery system and it could make it to the property. I know the location of the POD.

Questions:

Can you check the map of the old Indian allotments and confirm that T7S, R35E, S21, NWSW is located on an old allotment since the decree doesn't list a legal description.

If so, can I go ahead and recommend these rights with a 1869 priority since evidence seems to indicate use?

Thanks for your guidance.

Craig S.

Re: A29-10923
Wilma Munn

Dear Mr. Carlson,

I have recently sold my neighboring parcel (Water right # A29-10922). I continue to use water from the same point of diversion for 3.5 acres of land on which my home is built. It is used for irrigation of my pasture and garden. I have lived here since 1938 and have personal knowledge that this water has been used continuously since then for similar purposes. This homestead with its water rights was purchased directly from the Indians and transferred to my husband and me. The date on my claim form was given to us as the date the Indians originally obtained the water rights from the government after the reservation was established. I am the oldest living person in this end of the valley that I know of, that can verify when beneficial use of the water was first made.

I, Wilma A. Munn, verify that the above statement is true to the best of my knowledge and recollection.
