Re: Ownership of Snake River Basin Adjudication (SRBA) Claim 29-11286

To Whom It May Concern:

The Idaho Dept. of Water Resources is currently in the process of reviewing SRBA claims in basin 29. SRBA claim 29-11286 was filed by Tawny Humpherys. Since that time, the property originally owned by Tawny Humpherys has been subdivided. My records indicate that you may be an owner of one of these subdivided parcels. The parcel falls within the following legal description:

T6S, R35E, S24 SW1/4 SE1/4

The claim is for irrigation, stockwater and domestic use from and unnamed spring. Enclosed is a copy of the original claim. If you feel that you are owner, or part owner, of the water right associated with this property, you need to file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Thank you for your attention in this important matter. I look forward to your timely response. Please feel free to contact me at the above address/phone number.

RE: Notice of Claim

Dear Ms. Humpherys:

Please find enclosed a Notice of Claim prepared with information from your original notice (A29-11286).

Item #2: On your original Notice you entered May 15, 1977 as your priority date. However, after talking to Eric Verner the Department has amended that date to December 31, 1939, the date the spring was first used.

Review the Notice for accuracy. There may be an instance(s), in addition to the above item(s), where a clarification(s) was made by the Department. Should you determine certain items need to be changed, make the necessary changes on this form, sign it, having your signature notarized, and return it to this office by September 4, 1990. If there are no changes simply keep this Notice for your records.

If you have any questions or objections regarding your Notice, please contact this office.

RE: Adjudication Notice for Bannock County.

Dear Ms. Humpherys:

The Idaho Department of Water Resources (IDWR) is returning your Notice(s) of Claim to a Water Right because of insufficient information and/or fees. Your check no. 129 in the amount of \$62.00 is also enclosed. All items on the forms must be completed and fees submitted before the IDWR can process the notice(s).

Please correct the items identified below and return the notice(s) and filing fee(s) to the IDWR within 30 days of the date of this letter. If the corrected notice(s) are not returned within the 30 days, each notice will be subject to an additional late fee.

The claim you have presented conflicts with the Surface Water Statute at 42-210, Idaho Code. Water uses developed from a surface water source after May 20, 1971 must have an application for permit filed. We can find no record of a permit or application for the uses you claim for this property. As result, you may withdraw this notice in Bannock County and submit an application for permit. An application for permit is enclosed, with instructions, for your use in this matter. We will be happy to proceed with the application if you will return the completed form to our office.

Should you wish to pursue before the court the exact water right you have presented on this Notice, please contact our office and discuss what needs to be done so that the Department can accept your claim.

If you wish to make an appointment to discuss the corrections, please call the IDWR at (208) 525-7161.
