AFFIDAVIT OF CHRISTOPHER F. ROBINSON

STATE OF UTAH)
 : ss.
COUNTY OF SALT LAKE)

CHRISTOPHER F. ROBINSON, being first duly sworn upon his oath, deposes and says:

1. I am forty years of age and am currently a resident of Snyderville, Summit County, Utah.

2. I am familiar with the Arimo Ranch, formerly known as the Cohn Ranch. Beginning in 1945, my father, David A. Robinson, was the General Partner of Arimo Ranches, an Idaho general partnership, and subsequently, was the President of Arimo Corporation, which was incorporated to own the Ranch from 1966 until the present. He was intimately acquainted with all aspects of the Ranch and its operations, including farming and grazing of livestock. I first visited the Ranch with my father in 1967 as a young boy. I personally worked on the Ranch from 1974 to 1980. From 1980 to 1986, I was the Vice-President of Arimo Corporation and since 1986, I have been President of Arimo Corporation.

3. I am also personally familiar with the following water right claims, including their points of diversion and priority dates: A29-04406, A29-04408, A29-04411, A29-04422, A29-04423, A29-04424, 29-11524 and A29-12055. The sources of water for seven of these claims are a number of springs located upon the Ranch. The eighth claim (29-11524) is a well located near the Ranch home, which was built in 1917.

4. The water claimed under all of these water right claims was being diverted and put to beneficial use upon the Ranch, in the same manner that they are now claimed, when I first visited the Ranch in the 1960's. From my conversations with my father, it is my understanding

that the water claimed under all of these water right claims had been diverted and put to the same beneficial use for many years prior to when he first owned the Ranch in 1945.

5. Attached hereto as Exhibit "A" is a true and correct map showing the boundary of the Arimo Ranch and the location of each of the water right claims listed above in paragraph 3. The map also shows the location of the original Homestead Cabin Sites, the Existing House built in 1917, and an Old House Site.

6. As shown on the map, seven of the water right claims have diversion points within about one mile or less of the Homestead Cabin Sites and the 1917 House. The other water right claim (A29-4422) is located approximately two miles northwest of the Homestead Cabin Sites in the northwestern-most section of the Ranch.

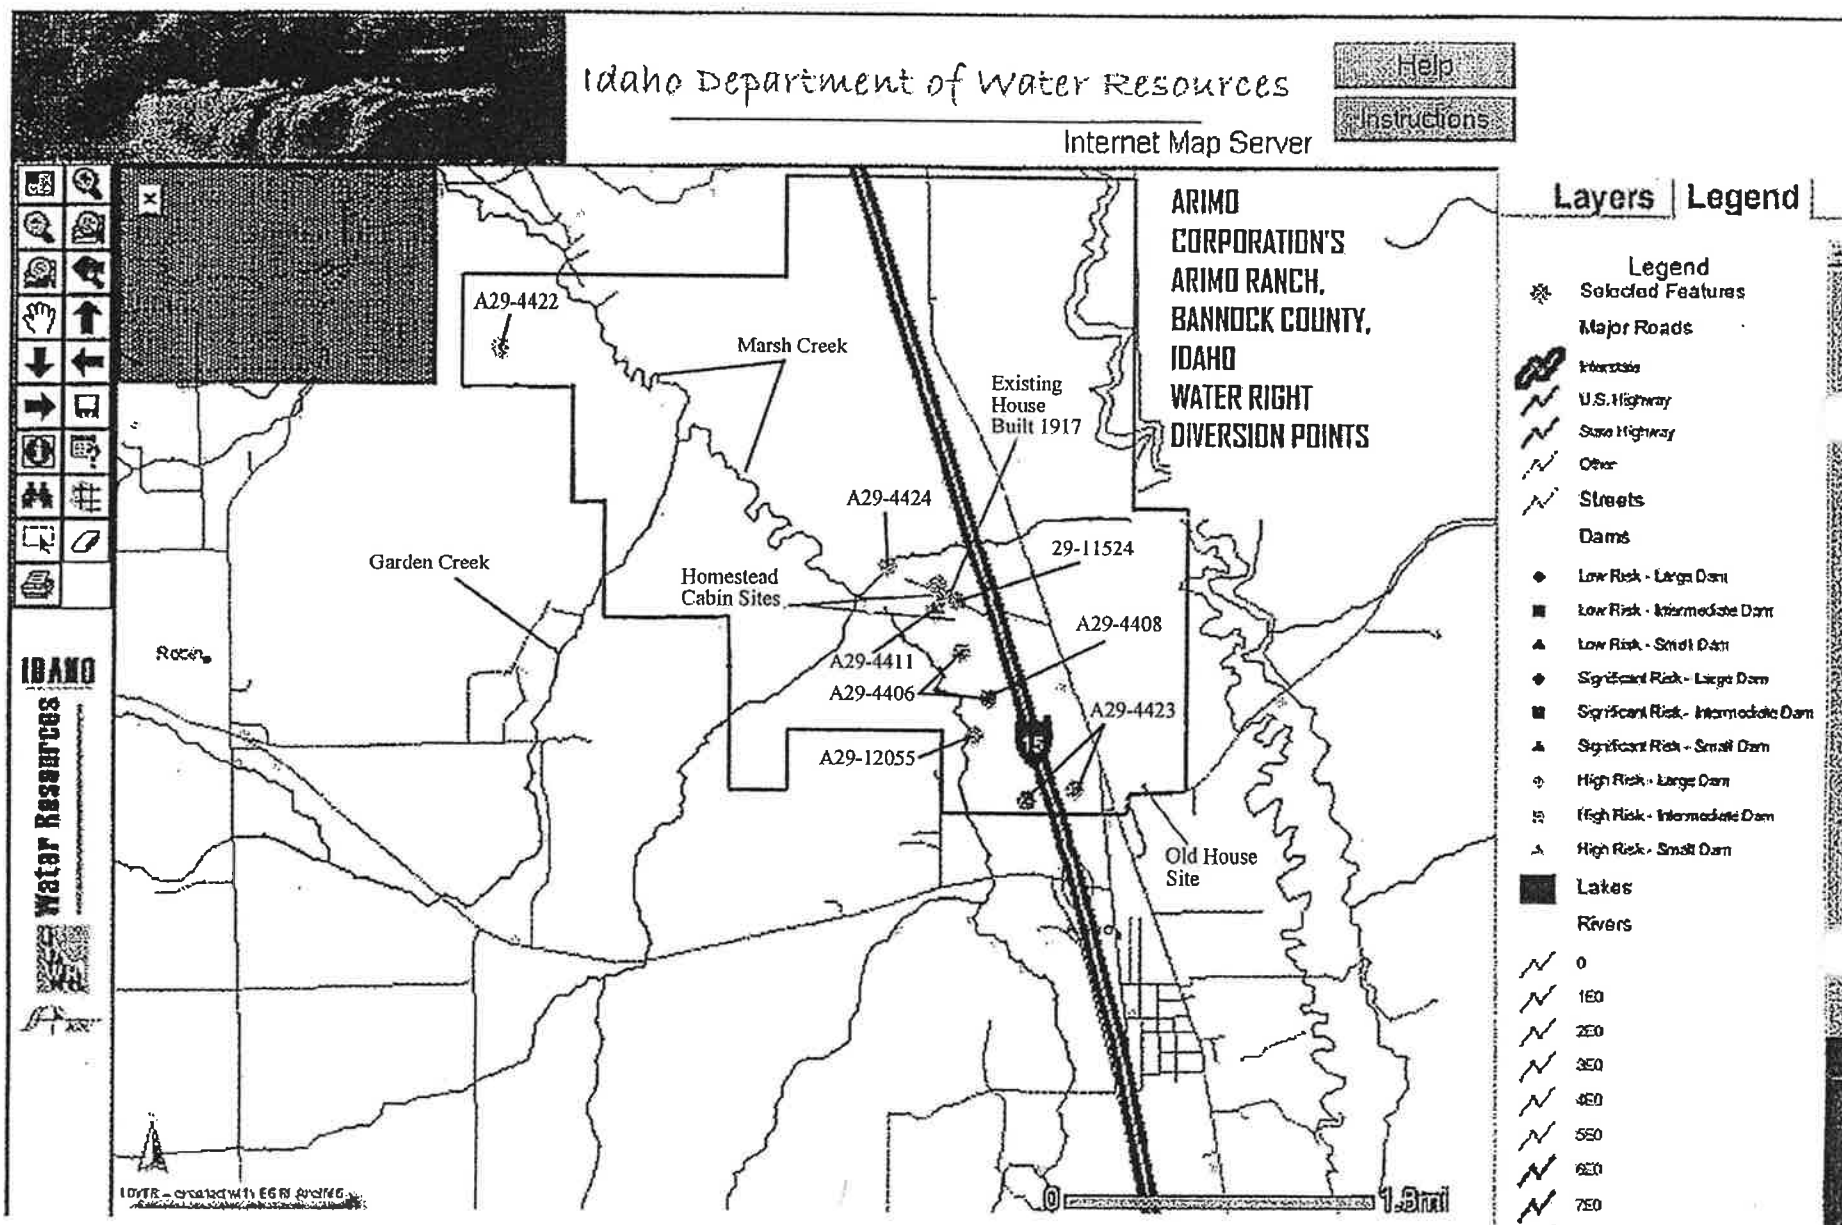

DATED this 6th day of November, 2002.

Christopher F. Robinson
