RE: Notice of Error (NOE) Reply for Snake River Basin Adjudication (SRBA) claim 29-11528

Dear Mr. and Ms. Rademacher,

IDWR received your NOE reply on April 23, 2003. In the reply you requested that the fact that you use two wells should be recorded on the recommendation. My assumption is that you are referring to your domestic and stockwater right 29-10918 (enclosed). The right you received and returned the NOE reply was for the use of Portneuf water for irrigation (enclosed).

Your domestic right 29-10918 was decreed by the SRBA court on 6/17/1998. After reviewing 29-10918, I agree that it does not speak of two wells. This is probably not going to be a problem because as long as when you are using both wells you do not exceed the limitations of the domestic definition defined in Idaho Code 42-111, you are not even required to file a domestic right.

If you would like to pursue this, there are two options. You could file a transfer with IDWR to add a point of diversion. Unfortunately, this will cost \$100.00. Transfer forms can be found at www.idwr.state.id.us and can be submitted to the Idaho Falls office of IDWR.

Or you could petition the SRBA court to set aside the partial decree. You would need to speak to the court to find out the steps to do so. The court can be found at (208) 736-3011 or www.srba.state.id.us.

Respectfully submitted,

RE: Water Rights (right number 29-10918)

+ AC9-11528

I received the director's report of proposed water rights dated February 2, 1998. In looking over the proposal I see nothing of the water I use to water my pasture. When I purchased my property I was under the understanding that I had unlimited use of water from the Portneuf river.

I do not know if this the proposal was only for ground use, and my water rights would come later for the river. If this was the total package. I would like further information. If you have no more information. Please except this as an objection. As I do not wish to loose my rights to the Portneuf river.

Sincerely,

RE: Water Rights

Dear Mr. Carlson:

It appears everyone in our area has been asked to supply you with written proof of their water rights. I did not receive my notice; I assume it was an oversight.

In talking with my neighbors, I have learned that to conform to the requirements, I can have someone living close to me give a notarized statement to the effect that I have been using the water. Please except the following from my son that lives across the street from me.

I STEVE RADEMACHER, HAVING LIVED AT 348 SUE FOR TWENTY-FOUR YEARS, DO TESTIFY THAT EUGENE RADEMACHER DOES HAVE WATER RIGHTS. HE USES THE RIVER AND HAS A PERSONAL WELL.

RE: Water Rights

Dear Mr. Carlson:

In response to your letter dated January 3, 1995, I have lived at my present address for twenty-five years. When I purchased my home I was told I had water rights. It was explained to me at that time I could use the Portneuf River for irrigation. In your letter you asked for proof. Please refer to the Abstract of title #13138, to; Tracts numbered three (3) and four (4) of first addition to Mirabella tracts, same being subdivision in lot 3 and Southeast quarter of northwest quarter of Section 1, Township 7 south range 34 East, Boise Meridian in Idaho according to official plot thereof on file and of record in office of county recorder of Bannock County, Idaho.

In the clerk's office she mentioned that I need to have someone that has lived in the area a long time sign something that verified that I have been using the water, and do have rights to it. I submit the following; if this does not meet your requirements, please contact me.

I, Eugene Rademacher, having lived on Sue Rd. for fifty years, will verify that Steven Rademacher has water rights, and has been using both the river and his wells for his personal use.
