Department of Water Resources
Eastern District Office

In regards to your request for evidence of priority. I have located a long term resident of the area that will certify that the water at Tract 5, Mirabella Tracts, Bannock County, Idaho or currently known as 2151 Bannock Hwy, was in use back in 1940. I have enclosed a copy of the affidavit for your records. I have been told that the water rights date back even further to sometime around 1901, when it was primarily used for dairy farming. My neighbor has a deed stating this fact. I personally have resided at 2151 Bannock Hwy., Pocatello, Idaho since April 22, 1985. In that time I have used the water from the Portneuf River for irrigation of my property, and the domestic well for household use. I have previously filed this information with the The Fifth Judicial District of The State of Idaho and paid the fees for these filings. I have also enclosed copies of the filing. I hope this information will help clear things up.
