Remarks:Comments:

1. csaxton 4/12/2002 Basis of Claim

Comment: Originally claimed as a Beneficial use claim. However right falls within irrigated POU for decreed right 29-00443. All indication show that part of original decreed right is still applicable to the land. Claim amended to represent decreed priority date.

2. csaxton 4/12/2002 Source

Comment: Source decreed as Pocatello Creek, but is actually the North Fork of Pocatello Creek.

RE: Amendment of Snake River Basin Adjudication (SRBA) claim 29-12232

Dear Beth Taysom,

On December 24, 2001 this office received the signed amended claim with a copy of your deed that was requested. I appreciate your quick response in this matter. However, the amended claim needs to be signed in front of a notary.

Enclosed is another copy of the amended claim. Note that I made the changes on this new copy that you indicated on the copy received December 24, 2001. These changes included removing the domestic use and reducing the claimed irrigated acres from 3 to 1.5. Please look over the amended claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office as soon as possible.

I have put the copy of the deed you sent in the file, so the only thing I need back is the notarized claim.

I apologize for the inconvenience, but feel taking these steps are to your benefit. Please feel free to contact me at 334-2190 if you have any questions.

Respectfully submitted,

RE: Amendment of Snake River Basin Adjudication (SRBA) claim 29-12232

Dear Beth Taysom,

This summer, the Idaho Dept. of Water Resources has been in the process of reviewing SRBA claims in your area. I see that Intrepid Engineering visited your property on October 2, 2001 to collect the field data.

You filed your claim 29-12232 in 1990 and claimed use of Pocatello Creek water dating back to December 31, 1962. During my review, I found that your property falls within the boundary of an old decreed right dating back to June 1, 1887.

In order for the department to recommend an 1887 priority date, two things need to be done. Your claim needs to be amended to reflect the older priority date. I also need to see a copy of your deed to see if any water right conveyance is mentioned in the deed.

Enclosed is an amended claim reflecting the 1887 priority date. Please look over the claim and initial any changes you wish to make. When satisfied, please sign the claim in front of a notary and return it to this office by **November 30, 2001**. Please include a copy of your deed as mentioned above.

In addition, please include an affidavit from your self or a neighbor that is familiar with the historical use of Pocatello creek water use on your property. Even if we cannot support the 1887 priority date, I still need some sort of evidence supporting the use of Pocatello creek water in 1962 as originally claimed.

I apologize for the inconvenience, but feel that taking these steps will be to your benefit. Please feel free to contact me with any questions.

EVIDENCE OF PRIORITY

Dear Claimant:

The Notice of Claim identified above and or below has been filed in the Snake River Basin Adjudication (SRBA). The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is known as the **PRIORITY DATE**, has not been confirmed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.

SUBJECT Notice of Claim - A29-12232

DATE September 17, 1990

Dear Mrs. Taysom:

Enclosed is your check (no. 1424) for \$103.00 and a computer generated Notice. I have highlighted all the areas where changes or corrections were made by the Department. If you agree with the information printed out, please sign the notice in the presence of a Notary Public and return the Notice and your check for \$103 back to this office to my attention. As was discussed and decided when I spoke with you, I have thrown away the domestic Notice you had included with your irrigation Notice. If there is any part of the Notice you do not agree with, please mark through the incorrect information and enter the correct.

Don't forget to have this notarized and send your check back too. When we receipt your check, you will receive a copy in the mail. This copy will show the Water Right Number and how much you paid for your Notice. Keep this information in your file.

RE: Snake River Basin Adjudication (SRBA) - Bannock County

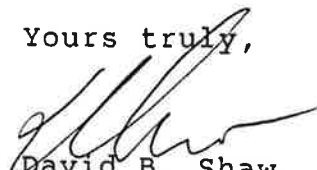

Dear Ms. Taysom:

I am returning your Request for Extension of Time to File Adjudication Claim(s) dated July 16, 1990 for your property in Bannock County with no action taken.

I have made repeated unsuccessful attempts to contact you by telephone, to clarify what arrangements were made with the postal service for mail received at your address during the month of January 1990 when we served Bannock County property owners SRBA Commencement Notices.

If you would please furnish me with the above information and any other pertinent information regarding why the Notice of Claim was not filed during the filing period in your county (1/18/90 through 4/19/90) and return to this office, I will be able to make a decision on this matter.

Yours truly,

David B. Shaw
