Re. A29-12519

ATTENTION: DAVE CARLSON

Dear Mr. Carlson:

I am finally able to submit evidence to support my claim of priority and water use in reference to the above number.

Before my fathers death in 1974, I farmed with him. We had dug several irrigation wells on our farms in the Robin, Idaho area. We had obtained the necessary approval from the Dept. of Water Resources. Water from one of our wells was used to irrigate land in Sec. 16, T. 10 South, belonging to my Uncle Curtis Armstrong. My father and I rented this land for several years. We planted crops of Potatoes and Grain. We started applying our water to this land in the early 1960's. I helped install the irrigation pipes to deliver the water to the land refered to above. We continued to apply our water to this land for several years.

I have enclosed supporting affidavits from myself, Dale Evans, Calvin Monson, Larry Armstrong and Cecil Armstrong. If necessary I can obtain additional affidavits from others who are familar with our water use during the 1960's and 70's.

Thank You:

The notice indicates a water usage of irrigation, or other commercial application that is based on **BENEFICIAL USE**. Water rights of this type are established by the historical use of water, dating back to when the water was first used for the purpose claimed. This date is known as the **PRIORITY DATE**, has not been confirmed by a license, Decree, or Permit. For this reason, proof must be provided supporting the priority date. As the claimant, you are responsible for submitting the necessary proof to support the **PRIORITY DATE**.

For your reference, I have provided a printout of your Notice of claim and the pamphlet **EVIDENCE OF PRIORITY**. The pamphlet suggests which documents will fulfill this requirement.

The IDWR can not recommend the notice be decreed by the court if no evidence of a priority date is submitted.

Please submit the documentation supporting the priority date by March 31, 1995, referencing the information with the corresponding Water right number. If you have any questions, please contact this office.
