RE: CHANGE IN OWNERSHIP FOR 29-04367

Dear Mr. & Mrs. Hurley,

A request for Chang in Ownership for a portion of water right 29-00443H was received September 25, 2000. The change was made and notice was mailed to you November 28, 2000.

During my review of Snake River Basin Adjudication (SRBA) claims, I discovered that a portion of claim 29-04367 (the ground water claim) is applicable to your property and should have been split as well.

I have processed this change and am sending you a copy of the notice of claims that reflect your portion of the original right.

Please note that my recommendation to the SRBA court will place the point of diversion (well location) on the Packer's property. You will need to file a transfer to add your own well when you develop the property.

Please feel free to contact me at 525-7161 if you have any questions.

Respectfully submitted,

Craig L. Saxton
Water Resource Agent
Adjudication Bureau

Memorandum

Subject: Forfeiture question

29-04367 – Groundwater

Groundwater used over the entire 4 acre parcel owned by Opal Beck per affidavit from Dwaine Anderson Signed 5/7/01. Affidavit doesn't speak of last time used. Claim filed in 1990. Shading on 1985 USGS orthoquad maps indicate irrigation of 4 acres. Based on statement from Dwaine Anderson and 1985 orthoquad maps, recommend entire parcel as irrigated from well.

In addition, based on Dwaine Anderson's statement, groundwater right should be split giving John Hurley a portion of the ground water claim.

29-13137 and 29-13136

Original claim 29-00443H (filed in 1990) split when Packer sold a portion of the property to Hurley in 2000. In conversation with Tammy Packer during field exam on 10-2-01, she said the Pocatello Creek water hasn't been used in the 9 years they have owned the property. She did say that there was a pump in place when they moved in 9 years ago and that Opals son would help her irrigate the place with Pocatello creek water. Tammy said that there was alfalfa growing when they moved in.

I called Dwaine Anderson (Brother of original claimant Opal Beck) on 10/25/01 to inquire of the last time the parcel was irrigated from Pocatello Creek. He said that they would sprinkle they place from time to time but didn't give me an exact date.

Based on the above information I don't believe forfeiture is an issue for my recommendation.
