SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11584

RESPONSE DEADLINE
DATE: OCTOBER 25, 2019

Dear Mr. Strank:

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11584. However, IDWR is unable to process your claim due to missing information.

Enclosed is your Notice of Claim to a Water Right. I have highlighted the numbers that require your attention.

- #6: specify the period of use. For example, if you use the water all year round, put 01/01 to 12/31; if you only use it from May to August, 05/01 to 08/31, etc.
- #7: specify the total quantity claimed in cubic feet per second (cfs). For example, .01 cfs = 4.5 gallons per minute, .02 cfs = 9 gallons per minutes, etc.
- #9: mark the type of usage
- #14: mark the basis of claim

If you change any information, including #7, please cross out the information, replace it with the correct information, and initial next to it. After you have completed the required information, please mail it back, to my attention, at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you do not return the Notice of Claim to IDWR, your claim will be rejected.

If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
