State why an extension of time is requested, explaining how a diligent effort has been made to meet the deadline:

The paperwork for the claim was originally delivered to the property instead of the company office in Spokane. During the summer camp season it took several weeks to move through the various staff to the person responsible for filing the paperwork. It wasn't received at the office in Spokane until the week of August 26th at which point we began working with Sandra Thiel on the claim.
