RE: NOTICE OF ERROR FOR WATER RIGHT CLAIM NO. 29-7387 & 29-7365.

Dear Mr. and Mrs. Rindlisbaker:

Thank you for taking the opportunity to visit with us concerning the above referenced rights. In my conversation with water right agent, Cindy Bird, she indicated that you had a transfer (Transfer 3750) on these water rights that moved around some acres.

I have reviewed the files and have updated the recommendation for the SRBA to reflect the changes that occurred as a result of Transfer 3750. They include:

1. Water right 29-7365 was retired or made into a parent right and split into two new rights: 29-13577 & 29-13578. A copy of the new recommendation for water right claim number 29-7365 (as the parent right) is included.
2. Water right 29-13577 is for 137 acres. The recommendation and layout for this water right is included.
3. Water right 29-13578 is for 77 acres. The recommendation and layout for this water right is included.
4. Water right 29-7387 remains the same as was previously recommended. A copy is included for convenience.

If you have any questions regarding this matter, please feel free to call me at 525-7161.

Respectfully submitted,
