RE: Ownership Change

DATE: December 12, 2001

NAME OF PARTY

Craig Redford

Phone number: 648-7762

Craig called to let me know that he is taking his mother to California in January for a visit and wondered if when he returned in late February or the first of March if that would be soon enough for the ownership change. They should have the paperwork back from the attorney by the first of March for the trust. Craig also wanted to go over the files again to determine if any of the paper work that he found of his dad's would clarify if Ross Redford retained the water that was decree to the Crandall property in the sale of the property. Otherwise, the Ross Redford claims might have to be reduced to the appropriate diversion rate.

I told Craig that I don't have a connection in the Soda Springs office yet so I can't process the claims at this time anyway. So, waiting until March wouldn't be a problem.
