ORDER OF PARTIAL DECREE

The Director of the Idaho Department of Water Resources previously issued a *Director's Report* for the above-captioned water right claim. No objections were filed to the *Director's Report* and the time for filing such objections has expired. However, on April 17, 2017, the Department filed a *Notice of Administrative Proceeding* in this subcase. The Court therefore withheld the claim from decree. On September 5, 2019, the Department filed a *Notice of Withdrawal* wherein it withdrew its *Notice of Administrative Proceeding*. Therefore, there is no reason to continue to withhold the above-captioned un-objected to water right claim from *Partial Decree*. The claim will be partially decreed consistent with the elements set forth in the *Director's Report*.

Therefore, IT IS ORDERED that the above-captioned water right be **decreed** as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b)*.

Dated September 25, 2019

ERIC J. WILDMAN
Presiding Judge
Coeur d'Alene-Spokane River Basin Adjudication
