Re: Permit # G-25972

State Department of Highways Attention: G. Bryce Bennett
603 Main Street,
Boise, Idaho

Dear Mr. Bennett:

Statutes requires a field inspection in connection with the proofs on Permit # G-25972 before license and certificate of water right can be issued.

Such inspection and report on same is required for any and all permits being brought to license within this State.

An inspecting Engineer from this Department requests that you or someone familiar with the terms of the permit and representing you be prepared to accompany him on the inspection, on Tuesday, May 27th,

Early in the morning.

If he cannot get in touch with you by phone or otherwise he will drive to the well location or point of diversion given in the permit.
