Director

87-11541 and 87-11555 Phone Call Summary

On September 27th, 2019 I called and talked with David Howard regarding his claim 87-11541 and 87-11555 Places of Use and Points of Diversion. On 87-11555, he claimed a POU in the SWNW, but it should have been claimed in SENW. He also said that each claim uses a separate well, both located in SENW. I sent him the original claim with instructions on how to amend the claim so it corrects the POU on 87-11555.
