RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #29-13658

Dear Claimants:

After reviewing your claim, an error has been found in the Point of Diversion (POD) legal description. The location reads T09S R36E Sec 2 NESESW but the POD is actually located in the NESESE. I have included a corrected Notice of Claim for you to sign and get notarized. I have also included a map that might help explain the error. This claim will not be heard by the court until June 15, 2010, so this will be a simple correction. At the hearing, the court will be notified of the error and the courts copy of the claim will be corrected at that time.

Please sign and return the corrected Notice of Claim to the office at your earliest convenience. If you have any questions, please let me know.

Sincerely,

Denise Kidman
