RE: LATE WATER CLAIM OF CITY OF GOODING

Dear Mr. Stanton:

Apparently Gooding City Mayor, David J. Adair, has been discussing with you the possibility of filing a late adjudication claim for lands owned by the City which are irrigated from a deep well located on property owned by a private individual.

Therefore, I enclose a Notice of Claim together with a check in the amount of \$289.00. This should cover the \$50.00 late fee, the \$50.00 filing fee, and \$189.00 for 189 acres claimed.

I also understand the Mayor has filed a Request for Waiver of Late Filing Fee and if that is granted the City will be refunded \$50.00. If this claim is accepted please return the yellow copy to my office at the address listed on paragraph 17 of the claim form.

Thanking you in advance for your anticipated cooperation and assistance.

Sincerely yours,

Craig D. Hobdey

Filing for transfer of Water Right
Airport Ranch Inc.

File 37-02761

This well is ^{not} on City Property and was allowed for use on acreage owned by City and for Airport Ranch farm operation. The transfer is not in agreement of policies that developments on the airport become the possession of the City of Gooding if no longer used by the lessor or developer. The City feels that the Airport Ranch Inc is transferring water rights is not consistent with City of Gooding policy and the water right must stay with the well drilled on city property. The ~~City~~ City does lease land at the airport for farm operations. The removal of the water right would not allow water for the irrigated lands owned by the City.

Is there a meeting being scheduled or hearing of our protest of this transfer? We will appear for the hearing?

9-14-95
