Subject: RE: Status Corporation and Summerwind LLC ownership

Hi Roxanne,

After talking this over with Kay, examining the files and the previous ownership change from Bartlett to Status Corp., which assigned the entire rights to Status Corp, I have decided that these rights should be recombined and that I will accept the document from Kerry Angelos only because it shows him as being a signing entity for both companies.

The deeds are the same from Bartlett to Status Corp. and then from Status Corp. to L222-1 ID Summerwind, LLC. At one time these were all in the name of Status Corp. and under the same deeds should have been transferred to L222-1 ID Summerwind, LLC., just as they were from Bartlett to Status Corp.

I am still reviewing the information you gave me concerning the supplemental and primary rights for Wilder. I would like to be sending SF5's out on these prior to the March 31, 2009 status conference.

Thanks,
Jan

Hi!

This concerns subcase no. 63-2946 and others.

I have attached a copy of an "Assignment and Assumption Agreement" made between Status Corp. and Summerwind LLC in 2006. Note Item 4 – Status Corp retained the water rights.

Kerry Angelos is in control of both companies, but a c-o was filed on the water rights anyway and the water rights were split. Will this document be enough to reverse the splits? Or do you want Mr. Angelos to submit another c-o form?

Let me know!
