Re: Water Right No. 95-12540

Dear Claimant:

Enclosed is a copy of the Notice of Completed Administrative Procedure and associated water right(s) that has been sent to the Coeur d'Alene-Spokane River Basin Adjudication Court, reflecting the ownership change for your water right(s). These documents are now required to be filed by the Department in order to notify the Court of any changes to your water right(s).

This notification to the Court does not affect the previous approval of this water right(s). You will be notified of any future action on your water right(s) by the CSRBA Court or Water Resources.

****Mr. Magnuson**, I spoke with you on 8/8/2019 regarding another change of water right ownership for Water Right 95-8275. I asked you to provide the chain of ownership from Black Rock Marina, INC to the current Black Rock Marina, LLC and I haven't received that information from you. That change in water right ownership will not be able to be processed without that information.

Please contact this office if you have any questions concerning this notification.

Sincerely,
