SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11537

Dear Mr. Hansen:

In regards to our phone conversation on 10/21/2019, enclosed is an Amended Notice of Claim to a Water Right. Below are comments on what I amended on the claim as well as further instructions for you.

- Purple arrow, number 2: Replaced the priority date from "5/3/2016" to "1910."
- Green arrow, number 4: Added your parcel number.
- Blue arrow, number 9: Added your parcel number again.
- Red arrow, number 13: Replaced your previous remarks with "Year built date per Taxlot data." This helps agents like myself confirm the year built date. In case you are curious, this is usually found from the County Assessor's Office.
- Yellow arrow, number 15: Please sign and date the document.

By amending your claim to an earlier priority date, it more accurately represents when Domestic water usage was first used on the property. Please review the claim for accuracy. If there are any changes you would like to make to it, cross out the incorrect information, replace it with the correct information and initial next to it. Also, I provided a map of your parcel. Please mark/circle approximately where the well and home is located. Lastly, I will send you a copy of your original Notice of Claim for reference and your personal records.

After you have reviewed the document, please mail it and the map back, to my attention, at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
