RE: NOTICE OF CLAIM #A35-12066

Dear Mr. Nugent:

The Notice of Claim you have presented conflicts with Idaho Code 42-230, and Water Appropriation Rules and Regulations, paragraph 2,15, concerning the appropriation of groundwater. Water uses developed from a groundwater source after March 25, 1963, for any uses other than residential domestic, stock water or any use not exceeding 2,500g/day, requires filing an Application for Permit. We can find no record of a permit or application for the uses you claim for this property. As result, you may withdraw this Notice in Bingham County and submit an Application for Permit. A Withdrawal of Claim form is enclosed for your use if needed. An application form is also enclosed, with instructions, for your use in this matter. We will be happy to proceed with processing the application if you will return the completed form to our office.

Should you decide to pursue before the court the exact water right you have presented on the Notice, please contact our office to discuss what action is needed before returning the Notice.

Please feel free to contact this office if you have any questions regarding this matter.

Respectfully submitted,

Gregory J. Taylor
