RE: Withdrawal of Notice of Claim A35-11937

Dear Claimant:

This office has initiated procedures for refunding the filing fee paid in conjunction with the Notice(s) of Claim form you submitted for the Snake River Basin Adjudication (SRBA). The refund will be sent to you from our State Office in Boise, Idaho.

On October 5, 1989, this office sent a letter advising that action by you was needed before your notice(s) could be processed. The 30-day time period provided for completing this task has expired, without the notice(s) being returned.

The effect of this action will be to remove this notice from the Department's records. Should you decide to refile this notice once the refund has been issued, the new filing will be subject to a late fee of \$50.00 or 15% of the filing fees, whichever is greater, on a per claim basis.

Of course, if you have any questions, please feel free to contact this office.

Respectfully submitted,

Ernest Carlsen
Adjudication Supervisor

RE: Notice of Claim A35-11937

Dear Mr. and Mrs. Clark:

The Idaho Department of Water Resources (IDWR) is returning your Notice(s) of Claim to a Water Right because of insufficient information and/or fees. All items on the forms must be completed and fees submitted before the IDWR can process the notice(s).

A Notice of Claim to a Water Right must be filed in the Snake River Basin Adjudication at this time for all purposes commencing prior to November 20, 1987, except for some domestic and stock uses not exceeding 13,000 gallons per day. Failure to record a Notice of Claim for all other uses will result in forfeiture of the water right. However, the IDWR recommends that notices also be filed for domestic and stock purposes for various reasons.

Please correct the items identified below and return the notice(s) to the IDWR within 30 days of the date of this letter. If the corrected forms are not returned within the 30-day period, the filing fee previously paid for the notice(s) will be refunded and the record will be removed from the IDWR records. If the corrected notice(s) are returned to the IDWR after the refund has been made, each notice will be assessed an additional late fee.

A description of the diversion works must be entered in Item #5, for example, well/pump, springbox, or headgate/ditch. Include the dimensions such as depth, casing size, pump horsepower, etc., if known.

The number of households and/or the number and type of stock that use the water from the claimed source must be entered in Item #9.

Your signature(s) must be notarized in Item #16. If more than one claimant is listed in Item #1, and the names have an "and" between them, the signatures of all the claimants must be notarized. If the names have "or" or an "and/or" between them, only one notarized signature is required in Item #16.

If you wish to make an appointment to discuss the corrections, please call the IDWR at (208)-525-7161.

Respectfully submitted,

Ernest Carlsen
