Licensed right 35-08167 covers the commercial use for this facility. Apparently this claim was filed either A) in error, or B) to claim ~~a~~ a priority earlier than the licensed priority. For a commercial use, this claim's 1968 priority would violate the mandatory permit requirement. However, it can be recommended as a definition B domestic. Therefore, recommend this claim for domestic, and the remainder of the commercial use will be covered by license 35-08167.
