To Whom It May Concern:

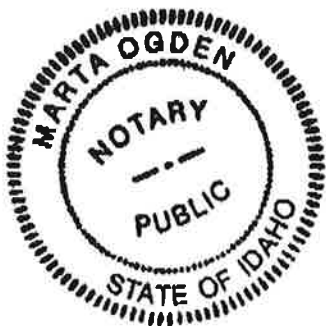

This letter is in regards to the ponds located in section 11, R. 33 E, T 4 S. I moved to this area in 1966 and became familiar with the property, although I didn't own it at the time. The ponds were in existence at this time and was told that they had been established in the 1940's. We bought the property in 1990.

If there are any questions, please feel free to call.

Sincerely yours,

Don Thompson

Hello Don,

Eric V. has completed the field investigation and recommendation on 35-13274. The claimant is still trying to obtain documentation for an earlier priority date but if necessary we can go with the recommendation in the R record.

You can add this claim to the list of those we overlooked in Basin 35 that are now ready for reporting to the court.

Ernie
