Yes, thank you. My family just sold the lake property to Kevin and Rachel Happeny this summer. Ellen Brown

Hello, I am processing your water right claim and I have a question. You included a *Corrective Trustee's Deed* that identifies you as one of the owners of parcel 025200030110. The place of use is identified on the attached map. According to the Kootenai County assessor's office Kevin and Rachel Happeny currently own that property. Are you still one of the owners? A water right is considered an appurtenance and typically goes with the property. I want to make sure I have the correct information before I recommend the right to the adjudication court.
