RE: 75-2171 & 75-7007

Dear Mr. & Mrs. Coiner:

I am reviewing two of your Snake River Adjudication claims. Claim 75-7007 lists 20 acres of irrigation in the SENW S17 T21N R20E and claim 75-2171 lists 10 acres for a total of 30 acres. I have enclosed two maps showing your ownership outlined in black and the US Forest Service ownership outlined in red. It appears that you own about 16 acres in that 40 acre tract. Was there a mistake in our licensing process or has there been a change in the location of the irrigation?

In the NWSE S18 T21N R20E there is total of 3 acres claimed and your ownership is almost 2 acres. The question is the same regarding this tract.

If you have any questions, feel free to contact me.

Sincerely,

Kenneth Knoblock
Water Resources Agent

Regarding: acreage listed in claim # 75-7007 and 75-2171.

The 14 acres⁺ discrepancy are on Forest Service land, which we are in the process of acquiring.

Any questions regarding ~~the~~ acquiring of the land should be directed to Ray Henderson, the Forest Service personell involved in the trade. His number, 208-756-5100, ask for Ray Henderson. Sincerely, Faye & Eron Coiner
