On October 30th, I spoke on the phone with Will Fontaine in regards to the PODs and Priority date. I asked him when the first well was used on the property, which he believed was between 1990 and 1992. This corresponds with the year built date on the property. The second well was drilled in 2001, for the same usage and no expansion, so it can be recognized as an Accomplished Change in POD. He would like to amend his claim, so I will send him an Amended Notice of Claim and letter.
