SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-11178

Dear Mr. Fontaine:

In regards to our phone conversation on 10/30/2019, enclosed is an Amended Notice of Claim to a Water Right. Below are comments on what I amended on the claim as well as further instructions for you. Everything on the claim is the same as the original claim except for the highlighted sections.

- #2 Date of Priority: Amended the claim from 5/12/2001 to 1992. If there is a specific month/day when the home was built, write it in pen before the year.
- #4 Additional Point of Diversion: Amended the claim to show two points of diversions (wells).
- #13, Red Arrow, Remarks: Write a short remark about the original well
- #15, Blue Arrow, Signature: Sign and date the document

By amending your claim to an earlier priority date and with the original well, it more accurately represents when Domestic water usage was first used on the property. Please review the claim for accuracy. If there are any changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference and your personal records.

After you have reviewed the Amended Notice of Claim, please mail it back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
