RE: Notice of Change of Water Right Ownership (NCO) for 75-4121E and Notice of Completed Administrative Proceeding (NCAP)

Dear Mr. Rowland:

On August 30, 2007, the Idaho Department of Water Resources (IDWR) received an NCO changing the right holder for the above referenced water right(s). Based on this NCO, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jennifer Crabtree
Technical Records Specialist

Re: Recommendation for right #75-4121E.

Dear Mr. & Mrs. Goddard:

We have reviewed your Notice of Claim once again after receiving your "Notice of Error Reply" and cannot make the changes you requested at this time. Although you may own 10.26 acres, the tax lot information we have from Lemhi County shows only 9.94 acres. Also, the recommendation is for those acres that are actually irrigated. This would exclude the footprint of homes, outbuildings, driveways etc..

We have enclosed a new modified recommendation for your records. As you can see the only change was the period of use for stockwater. It was changed to "4/1 to 10/31". This change was made because the original Statutory Claim filed by Maynard Holcomb in 1979 only claimed that period of use. There is also a question how 0.01 cfs or 4.5 gpm could reach your property in the ditch that is 2 miles long and the irrigation water and your neighbor's share of the water is not supplementing the 0.01 cfs.

After you receive the Director's Report, you may file an objection with the Court if you still disagree with any portion of your water right.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Gregory J. Taylor

RE: 75-4121E

We understand that you own Lot 1 of the Holcomb Subdivision #2. If you do own the property, and the water is still being used, and you want your name in the final recommendation, then you need to file a change in water right ownership form and mail it to this office. Be sure to include a copy of the warranty deed or other document as described in item 2. B.

Sincerely,

Re: Amended Claim A75-04121E

Dear Mr. and Mrs. Moore:

I am working on the change of ownership for the water rights associated with the land you own in the Holcomb subdivision. According to the documents I have, you own Lot 1 of the Holcomb Division No. 2. Please fill out and return the enclosed "Change of Ownership" form, so that we may change the ownership of this water right to your name.

In reviewing the original claim that your water right was split from, it appears that a slight error was made in the legal description of the place of use. The attached Amended Notice of Claim to a Water Right Acquired Under State Law corrects this error. Please review this claim and return it with a notarized signature. No fee will be required.

This will complete the filing of your claims. The next step of the Adjudication will be investigation by Idaho Department of Water Resources, probably in the year 2003. Later, you will have an opportunity to address errors or disagreements, first informally with the department and then formally with the court, if necessary. If all goes well you will receive a decree on your water right sometime in 2004 or 2005.

Please call me at (208) 525-7161 if you have questions or concerns.

Sincerely,

Bryce A. Contor

History:

1. Original water right was a beneficial use claim for approximately 88 acres. From this claim, record A75-02141 was prepared. There is no corresponding signed claim. This water right covered basically the full extent of what is now Holcomb Division No. 2.
2. Claim A75-04121A was originally filed by Maynard and Ester Holcomb on what appears to be only Lot 5 of Holcomb Division No. 2, approximately 33 acres. In 1990, ownership was changed to Henry and Zelma Savage.
3. Claim A75-04121B was originally filed by Glen and Terry Goddard. The claim referenced Lots 1 and 2 of Holcomb Division No. 1. An October 1999 amended claim by Glen and Terry Goddard clarifies that this should be Lots 1 and 2 of Holcomb Division No. 2. However, the legal description claims only land in T24N R21E Section 27 SWSE. The attached map shows that Lots 1 and 2 actually extend also into the NESE, NWSE, SWSE, and SESE of section 27.
4. These two claims left the original water right underclaimed by about 30 acres.
5. In July of 1999, David and Vickie Neinke presented a change of ownership form and adequate documentation showing their purchase of Lot 4. I erroneously assumed that record A75-04121 represented an original adjudication claim and that splits A75-04121A and B had failed to distribute all of the original claim. Consequently, I created A75-04121C for Lot 4 and assigned it to Neinkes. I also created claim A75-04121D for Lot 3 and assigned it to Holcombs, who I thought had been the original claimants for the full original right.
6. In December of 1999, I looked at a change of ownership request from Robert Rowland, who presented documentation of a chain of title for Lot 3 from Holcombs to himself, with a request to change ownership of claim A75-02141D. I also found documentation in file A75-04121B that indicates Rowland is also now the owner of Lot 2, which would be part of claim A75-04121B.

Action Needed:

1. A75-04121A:

No action needed.

2. A75-04121B

Claim needs to be split to accommodate sale of Lot 2 to Rowland.

Lot 2 portion needs ownership changed to Rowland.

Both claims need to be amended to reflect correct legal description of POU.

→ A75-04121 E
→ A75-04121 F

3. A75-04121C

Neinke's need to sign a claim.

4. A75-04121D

Rowland needs to sign a claim.

Individual files contain copies of new or amended claims and correspondence I have sent out to accomplish these needed actions.
