RE: Rejection of Notice of Claim to a Water Right 87-11164

Dear Mr. & Mrs. McCormack:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Claim. We are rejecting and returning your adjudication claims for the following reason.

The reason we are rejecting your claim is because required information was not provided on the claim form. #2) The Date of Priority was left blank. This would be the date that water was first used from that source. #3) Source of water supply. And #13) Remarks, why you chose the priority date you did.

Please fill in any area that is highlighted and return the claim to our office within 30 days. Your claim will be set to Temporary until we receive it back from you.

I apologize for the inconvenience.

If you still have questions, please feel free to call our office and talk to an adjudications agent.

Sincerely,
