RE: Rejection of Notice of Claim to a Water Right

Dear Mr. & Mrs. Todd:

The Department of Water Resources has received your Palouse River Basin Adjudication (PRBA) Claim. We are rejecting and returning your adjudication claim for the following reason.

The reason we are rejecting your claim is because required information was not provided on the claim form. Quantity of water claimed was left blank. Depending on how much water your well produces, would be the quantity you claim. Please see page 4 of the enclosed instructions to determine the quantity.

I have also taken the liberty to correct a few other mistakes that were on your original claim form. (Township, Range, Section, Parcel Number, and the Usage) Please verify ALL information is correct and make any changes you feel necessary and initial those changes, fill in the highlighted areas, sign and return to our office. Your claim will be set to Temporary until we receive this claim back from you.

I apologize for the inconvenience.

If you still have questions, please feel free to call our office and talk to an adjudications agent.

Sincerely,

Dawn R. Lenon
