RE: FILING A NOTICE OF CLAIM FORM

Dear Mrs. Herman:

Please find enclosed the Notice of Claim form you requested during our telephone conversation of February 17, 1993. Also, I have enclosed a REQUEST FOR EXTENSION OF TIME TO FILE ADJUDICATION CLAIM(S) form.

Complete the Notice of Claim form for the well located at your rental trailer. To establish the priority date under Item #2, insert the date (month, day, and year) when the well was first put to use. If that date is unknown use the best **defensible date** you are aware the well was in use. Since this is inherited property (well), which was apparently never filed on, there may be sufficient grounds to waive the \$50.00 late fee. Therefore, complete the REQUEST FOR EXTENSION OF TIME TO FILE ADJUDICATION CLAIM(S) form and return it with the Notice of Claim form and fees. Filing fees will be \$25.00, plus a \$50.00 late fee. If it is so determined by the Director that certain criteria has been met to allow the waiver your \$50.00 late fee will be returned to you.

In regards to the capped well intended for the new house, the priority date will be established at the time it is put to beneficial use. To date, there is no priority established because the well has been capped since it was drilled. When the well is put to use, contact me and we will proceed from there.

Disregard this letter!

RE: DOMESTIC ADJUDICATION NOTICE A75-07076

Dear Ms. Crawshaw:

Please find enclosed a computer generated copy of your Notice of Claim to a Water Right, A75-07076. In review of your original claim, the following discrepancies were noted.

The date (month, day, and year) water was first used for the purpose(s) claimed must be listed in Item #2. The date listed on the Notice of Claim was April 1, 1982. According to the license issued for this water right the **actual Priority Date is April 30, 1977.** The April 1, 1982, date is the Proof Date, or, when proof of the completed water system was due.

The legal description of the Place of Use in Item #10, and the Point of Diversion in Item #4, have been modified based on information from the original license. They both describe the same 40-acre tract of land. **You should verify this information is correct.**

In addition, you have filed a claim, number A75-07075, for 0.02cfs for irrigation purposes from an 18 foot well. This claim will be addressed under separate cover due to an error in filing.

Please review the enclosed Notice for accuracy. In a few cases, modifications were made by the Department for clarity. Should you determine certain items need to be changed, make the necessary changes on this form, sign it, having your signature notarized, and return it to this office by **March 25, 1993.** **If there are no changes simply keep this Notice for your records.**

RE: DOMESTIC ADJUDICATION NOTICE; A75-07075

Dear Ms. Crawshaw:

Information on the Notice of Claim to a Water Right, A75-07075, indicates you are claiming water for irrigation purposes of more than 1/2 acre. The form you have used is limited to residential, stockwater and/or domestic rights with up to 1/2 acre of irrigation.

To claim irrigation of more than 1/2 acre from the well, you must use form #42-1409(2) enclosed. Please complete the enclosed form, sign it, having your signature notarized and return it to this office.

The filing fee is \$50.00 plus \$1.00 per acre: in this case \$51.00. Taking into account the \$25.00 already paid, simply submit a check or money order for the balance due (\$26.00).

I call for some information on these papers but was unable to contact you. I spoke with Jo Thompson and she informed me I did not have to file on a domestic well where it is used for household and lawn care.

She said for me to send this papers plus this explanation back to you and for you to get in touch with her and you two would discuss this.

I thank you very much for your Courtesy and help.
