Dear Mrs. M. Mearns

Hotel Shuang Shuang
Tsun Tsun, Wash. 99234.

I worked at the Clark Shuang millite from May, 1919 to about 3 weeks
Hogan Hanson was foreman. Bill Baggert & George Ramsey worked there
at the same time. They are all dead. The most of the dam was built before
that but we used a team of horses & oxen & did some work on the dam.
I worked there the spring of 1921. The dam was used then. April 24, 1923 I
went to work there for a few weeks. The fall of 1923 I worked there a few days
I was there at a picnic the fore part of June 1940. The dam was being used
all of these times. From then afterwards I knew nothing more. I never knew
of any controversy over the dam at any time. I know there are many people
could verify what I told you. Any other thing I can do to help will be glad to do.
Yours truly Shuang Shuang
