RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-9880

Dear Claimant:

On 8/21/2019, the Idaho Department of Water Resources (IDWR) received the amended claim 95-9880 along with supplemental filing fees. However, the amended claim was received after your recommendation was reported to the court, and after the regular objection deadline of July 15, 2019.

On August 11, 2019, Carter Fritschle, Adjudication Section Manager, emailed bwsd637@gmail.com informing them that before IDWR and change your recommendation, you will need to file a motion to file a late objection, and a motion to file an amended claim (copy enclosed).

The court has set a status conference in connection with 95-9880 for December 18, 2019. I am writing to encourage you to submit the required motion to file a late objection, and a motion to file an amended claim. I have enclosed copies of each form.

Once the court receives the forms and grants the motions, IDWR will be able to file an Amended Director's Report for 95-9880.

Please feel free to contact me if you have any questions.

Respectfully,
