RE Partial Decree for Water Right 95-16273

This Partial Decree was brought into our office by Mr. William Brannon. He said he received it in the mail but he does not know the owner that is listed on it. After doing some research, it was discovered that water right 95-16273 does NOT pertain to Mr. Brannon's property, but to a parcel that is 2 parcels to the north of him. After looking at the original claim for this water right, it had Mr. Brannon's address but the other owners parcel number for the POD and POU. We have solicited an Ownership Change 2 times for the new owner to submit, first one in Sept. 2016 and the second in April 2018, but never got a response.
