RE: 75-14482 and 75-14484

Dear Diana:

Yesterday Beverly Colvin called me because she had received the special master's report and recommendation for the two rights listed above. She was concerned that her name did not appear on the recommendation. After looking into the matter I discovered that the NCAP filed with the court on April 8, 2009 was in error. The NCAP was filed after the approval of transfer 75324. However the NCAP did not fully reflect the changes made to these rights via transfer 75324. Please accept the attached amended NCAP, which fully describes the elements of these water rights consistent with the transfer. Feel free to contact me at 525-7161 if you have any questions or concerns regarding this matter.

Respectfully,

Michael Holliday
Water Resource Agent, Sr.
