RE: Notice of Change of Water Right Ownership (NCO) for
75-7125 (Split into 75-14572 and 75-14573) and Notice of Completed
Administrative Proceeding (NCAP)

Dear SIR/MADAM:

The Idaho Department of Water Resources (IDWR) received an NCO changing the right holder for a portion of the above referenced water right(s). Based on this NCO, IDWR water right records for the Snake River Basin Adjudication (SRBA) have been updated with new water right numbers reflecting the division of the water right(s).

Your application for change in water right ownership listed water right number 74-546, which is not appurtenant to your property, water right number 75-7125 is appurtenant to your property and has been divided with you receiving your proportionate share. Furthermore our policy does not require any fees for changing the ownership on water rights that are still pending in the SRBA court so a refund in the amount of \$25.00 has been requested for receipt number E034307.

Furthermore, as directed by the SRBA Court, this office mailed a copy of the updated water right record(s) to each party listed on the enclosed NCAP. The intent of this mailing is to ensure each party has a current record of the water right(s) as recorded in the SRBA.

Please feel free to contact me if you have any questions concerning this matter.

Respectfully,

Jonie Barg
Technical Records Specialist

RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 74-546

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

X COPY OF DEED, TITLE POLICY, CONTRACT OF SALE, OR OTHER
LEGAL DOCUMENT indicating your ownership of the property and water
rights in question,

In order for your request to be completed our office will require a full chain of title back to the current owners listed on our database Stanley J and Carol M Allen. The chain of title will need to include copies of all the recorded Warranty Deeds from Stanly J and Carol Allen until Kevin L Weikum received the property.

Because the department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary items.

If you have any questions about this matter feel free to contact Jonie Barg at

RE: NOTICE OF CHANGE OF WATER RIGHT OWNERSHIP FOR WATER RIGHT
NUMBER(S) 74-546

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

 X COPY OF DEED, TITLE POLICY, CONTRACT OF SALE, OR OTHER
LEGAL DOCUMENT indicating your ownership of the property and water
rights in question

In order for your request to be completed our office will require a full chain of title back to the current owners listed on our database Stanley J & Carol M Allen. The chain of title will need to include copies of all the recorded Warranty Deeds from Stanley J and Carol Allen until Kevin L Weikum received the property.

Because the Department cannot process the ownership change without proper documentation we will hold any action on your notice pending receipt of the necessary information.

If you have any questions about this matter feel free to contact Jonie Barg at (208) 525-7161.

Respectfully submitted,

Jonie Barg
