RE: Water Rights on Stormrider Estates

Dear Jonie:

Yesterday I mailed a Notice of Change in Water Right Ownership to your attention with a copy of the current deed to my land. After speaking last night with a member of Arrowhead Water District they informed me that you would need a copy of all deeds from Jon Cummings to myself in order to process the transfer.

With this letter I am enclosing the deed from Cummings to Bill and Elizabeth Allen for lot 18, the lot split making it 18A and 18B and the original deed from Bill and Elizabeth to my husband and myself which they subsequently had to re-do as it did not mention the amended plat. This should take care of all the deeds showing the transfer of ownership from Cummings to present.

Please feel free to contact me if you have any questions.

Sincerely,

Cori J Allen

4. If the water rights and/or adjudication claims were split, how did the division occur?

- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
☒ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: February 12, 2007

6. This form must be signed and submitted with the following **REQUIRED** items:

- A copy of the conveyance document – warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- Filing fee (see instructions for further explanation):
 - \$25 per *undivided* water right.
 - \$100 per *split* water right.
 - No fee is required for pending adjudication claims.
