Brian,

After a review of the filing fee by IDWR and the amended claims, I recommend remitting additional fees in the amount of \$ 2770.90 to IDWR. The error in filing fees was a misinterpretation of the fee schedule and amended claim process. I reviewed the information and had a short discussion with Evan Roda to garner clear understanding of the work he completed. Once approved I'll seek another check to be remitted to the address shown in the e-mail thread.

Thank you

Gene

Dawn,

Thank you much for your assistance, as discussed a simple e-mail will support this process nicely. If you could release an e-mail that recognizes the filing fee as required and an estimate provided above by our legal counsel this would be helpful.

The estimate of \$ 3996.00 would be helpful to the business processes we have to maintain at UI.

Thank you

Gene
