Hi Dawn,

I'm CC'ing Gerard Billington, who heads up the Real Estate for the University of Idaho. I believe the second address is the current and correct one to be used, but Gerard can say for sure how these should be filed.

Thanks for your help and have a great day,
Rob

Good morning Rob & Eugene!

I am in the process of data entering your water right claims and noticed that a lot of them are based on either Licenses or Statutory claims. Our system automatically pulls the information from that license or Statutory claim and auto fills it in the claim process. I noticed that per the licenses and Statutory claims, the address is in our system as....

University of Idaho Regents
875 Perimeter Dr MS3162
Moscow ID 83844-3162

But as per your claims, they are....

Board of Regents of the University of Idaho
875 Perimeter Dr

Moscow ID 83844-2281

My question to you is, how do you want these claims entered in our system? The name is slightly different and is the MS3162 after the address necessary? Please let me know which address you would like me to use when entering your claims and for all future mailings.

Sincerely,

Dawn R. Lenon
