RE: Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Claim No. 95-16913

Dear Claimants,

The Idaho Department of Water Resources has received and processed the Notice of Change in Water Right Ownership for Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) Notice of Claim to a Water Right. Before this claim is decreed by the Court, we would like to provide you an opportunity to correct a potential error in the originally filed claim.

The Notice of Claim to a Water Right identified with the number shown above was filed for the use of groundwater for domestic purposes with a claimed priority date of May 1, 2005. The Period of Use described in the claim (Section 6) was January 1st to December 1st. If the water is used year-round, then the period of use must be corrected through the submission of an Amended Notice of Claim to a Water Right. Additionally, as the Director's Report for this claim has already been submitted to the Court, a Motion to File Amend Notice of Claim (Standard Form 3) must be filed along with your amended claim directly to the Court.

For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-16913 which includes all pertinent information from the originally filed claim along with the corrected Period of Use. Please review the claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, please send the signed claim form along with completed Standard Form 3 to the court clerk at the address listed on page 3 of the motion. Be sure to also send copies of those documents to the additional recipients listed on pages 3 & 4.

PLEASE NOTE: If an amended notice of claim is not received for this water right, IDWR will recommend this claim to the Court for decree with a Period of Use of 1/01 – 12/01.

Feel free to contact me if you have any questions or concerns. I can be reached by phone during business hours at 208-762-2800 or by email at evan.roda@idwr.idaho.gov.

Best Regards,

Evan W. Roda
Water Rights Supervisor
Northern Region
