SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10623

Dear Mr. Tiedeman-Mueller:

In regards to our phone conversation on 1/15/2020, enclosed is an Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim as well as further instructions for you. Everything on the claim is the same as the original claim except for these highlighted sections:

- #4, Point of Diversion: Changed it from NENW to NWNW
- #6, Total Quantity: Changed it from .13 cfs (cubic feet per second) to .04 cfs. Also, removed 0 A.F.A (acre feet annually) because it is not needed for de Minimis Domestic claims
- #9, Place of Use: Changed it from NENW to NWNW
- #14, Blue Arrow, Signature: Both you and/or Savannah Tiedeman-Mueller sign and date the document

By amending your claim on numbers 4 and 9, you are moving the Point of Diversion and Place of Use onto the correct legal description containing 1250 N Mountain View Rd. Amending number 7 to .04 cfs more accurately represents the typical diversion rate of a single home.

Please review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference and your personal records.

After you have reviewed the Amended Notice of Claim, please mail it back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is [christopher.holmes@idwr.idaho.gov](mailto:christopher.holmes@idwr.idaho.gov).

Sincerely,

Christopher Holmes  
Water Resource Agent
